

## 2020 National Carer Survey: The process, outcomes and opportunities

**Hear all about the recently conducted 2020 National Carer Survey at this stakeholder webinar and Q&A session with the Carers NSW Research team**

This free, one-hour webinar and Q&A session will bring researchers, peak bodies, service providers, government agencies and carers up to date about the key findings of the 2020 National Carer Survey and provide an overview of how the Survey was conducted.

Surprises, achievements, challenges and opportunities for further analysis will be discussed, with attendees invited to pose their own questions about the Survey design, data collection process and data analysis.
