

We are electronic prescription ready

Getting an electronic prescription

There are 2 WAYS

Direct to you

During your consultation we will send you an SMS or an email

Direct to your script list

If your pharmacy has already set up a list of your scripts, the prescription will be added to it.

Getting your medicines

There are 2 WAYS

Collecting it

When you go into a pharmacy, show them the email or SMS so it can be scanned

or show your ID so they can access your list.

Remember: you can forward the SMS or email to a family member or carer so they can get your medicine.

Home delivery

If your pharmacy offers home delivery forward the SMS or email to them so they can scan it or call them to validate your ID so they can access your list.
