PRINCE2® Membership

PRINCE2 Membership now included with PRINCE2 2017 Practitioner Exams

To support the launch of PRINCE2 2017, AXELOS is including one year's PRINCE2 Membership with every PRINCE2 2017 update Practitioner exam. Membership is one way in which candidates can maintain their certification, and by making this available with the new exam AXELOS is demonstrating our commitment to a candidate's ongoing professional development.

Why activate your PRINCE2 Membership?

By giving you access to PRINCE2 Membership as part of your exam, AXELOS are providing you with another way to keep your certification up-to-date that takes you beyond your exam and supports you throughout your career. **To remain current you must meet the following criteria within the three-year period:**

- The new PRINCE2 Practitioner certificates have an expiry date of three years
- There will be no PRINCE2 2017 update re-registration exam. Instead you can retake the full Practitioner exam at the end of the three years or join PRINCE2 Membership.
- Join membership within three months of passing your exam and remain in membership for the three year period by renewing the subscription each year.
- Maintain the PRINCE2 digital badge which will be awarded as part of membership for the three year period. Candidates will need to record 20 CPD points each year, in the prescribed categories, for the badge to be extended on renewal.
- By satisfying the above criteria you will be issued a new certificate that is valid for a further three years.

There are lots of other benefits to joining PRINCE2 Membership, these include:

- Access to the latest best practices across our PPM portfolio
- Content to help you progress into programme management through our MSP certification
- PRINCE2 templates and toolkits to help you apply best practices in the workplace
- Project management software to help you manage your projects
- Exclusive access to practical guidance, white papers and case studies.
- From July the annual membership fee will be set at £50 plus VAT.

FAQs

What is PRINCE2?

PRINCE2 (Projects IN Controlled Environments) is a process-based project management methodology. It uses the best practice experiences of project managers, academics, trainers and consultants around the world to produce something that is generic and tailorable no matter the project size or type.

Are there any prerequisites for the PRINCE2 exams?

There are no prerequisites for the PRINCE2 Foundation exam.

To take PRINCE2® Practitioner, you must have one of the following certifications:

- 🎓 PRINCE2® Foundation
- 🎓 Project Management Professional (PMP)
- 🎓 Certified Associate in Project Management (CAPM)
- 🎓 IPMA Level A® (Certified Projects Director)
- 🎓 IPMA Level B® (Certified Senior Project Manager)
- 🎓 IPMA Level C® (Certified Project Manager)
- 🎓 IPMA Level D® (Certified Project Management Associate)

Is this course accredited?

Yes, all of The Knowledge Academy's PRINCE2 courses are accredited by BCS, The Chartered Institute of IT on behalf of AXELOS. The Knowledge Academy is also an AXELOS strategic partner.

Do I receive the PRINCE2 guide?

Yes, our PRINCE2 Foundation and Foundation and Practitioner courses come with the official PRINCE2 manual: 'Managing Successful Projects with PRINCE2'.

Does the course include exams?

All our classroom PRINCE2 courses include exams as part of the course.

FAQs

How long does the PRINCE2® certification last?

The PRINCE2 Foundation qualification never expires.
PRINCE2 Practitioner expires after three years. To re-register, you must sit the PRINCE2 Practitioner exam every 3 years.

What forms of payment do you accept?

We accept all major credit cards including MasterCard, VISA and American Express. We also accept payment by cheque or wire transfer.

What time shall I arrive at the venue?

Please arrive at the venue for 08:45am.

What are the hours of the course?

Training hours are approximately 9am – 5pm.

What is the latest date that I can sign up for a course?

Testimonials

We have thousands of satisfied clients, here are just a few:

Aidan

“Very knowledgeable trainer and the preparation material helped to get me ready for the week-long course and exams. This provided more than just the material required to pass the PRINCE2 Practitioner, as time was spent on sections outside of the tested material”

Lorena

“It was brilliantly planned and executed, with clear and defined stages. I would definitely recommend The Knowledge Academy for the PRINCE2 fast track course, it was pretty intense, but absolutely worth it!”

Tim

“Our trainer was extremely knowledgeable in the field of project management and PRINCE2. There was also a very enjoyable group dynamic which made the week extremely useful. I would recommend The Knowledge Academy to anyone considering gaining extra qualifications. I will definitely use them again in the future.”

Matt

“The teaching I received across the week was excellent and prepared me for both the Foundation and Practitioner examinations. The tutor was experienced and knowledgeable, and lessons were fast-paced and focused.”

Baran

“Great course, intensive but enjoyable week. Great preparation and presentation of Prince2 concepts.”

Judy

“Hard work and very intense but also enjoyable thanks to the tutor Andre Malowney.”

Johnny

“Rob was a fantastic trainer he had a natural ability to engage with the students through humour, expression, clear language. The content of the Prince2 course was excellent and Rob managed to cover such a vast syllabus in a short time. I would highly recommend Rob.”

Jacob

“Excellent trainer, very knowledgeable and engaging. Would highly recommend this course & provider”
