**DEFENCE CAPITAL FACILITIES AND INFRASTRUCTURE BRANCH –
PLANNED UPCOMING CONTRACTOR APPROACHES TO MARKET NOTICE
(OCT 2022)**

1. This Notice provides information to Industry on planned upcoming contractor approaches to market that may be released from the Department of Defence's Capital Facilities and Infrastructure Branch (CFI) over the next 12 months.
2. CFI is responsible for planning, developing and, subject to approval, delivering capital facilities and infrastructure projects (projects) across the Defence estate.
3. CFI operates an outsourced model where it procures industry to manage, design, construct and provide specialist skills in support of each project. This typically includes Design Services Contractors, Head Contractors, Medium Works Contractors, and Managing Contractors.
4. CFI recognises the importance of keeping industry informed of planned upcoming approaches to market for these contractor roles. This Notice, inclusive of Attachment A, provides industry with information on each potential upcoming planned approach to market opportunity, including the planned date of advertisement on AusTender (<https://www.tenders.gov.au/>) and relevant point of contact for enquiries.
5. The information contained within this Notice is indicative only and is subject to change. Prospective tenderers are therefore not entitled to make any claim for, and the Commonwealth shall not be liable for, any liability, costs or loss incurred as a result of any delay in the release of, or any failure to release, any approach to market detailed within this Notice.
6. All enquiries are to be directed to the point of contact nominated in Attachment A.

Industry Brief

7. Defence is conducting an Industry Brief to provide Industry with additional information on these planned upcoming approaches. This will be held at the Federal Golf Club, Canberra, as well as virtually, from 0900 - 1500 Friday 25 November 2022. Attendance (both physical and virtual) is limited to two (2) Industry personnel per company, and reservations are mandatory. Once confirmed, connection details will be provided to those attending virtually 3 days prior to the briefing commencing.
8. Please contact Janine Dawes on janine.dawes@defence.gov.au to reserve your place **by no later than 1700 Thursday 17 November 2022**. Your reservation is to include name(s), company, contact details (mobile and email), and attendance (physical or virtual).

Yours sincerely

Greg Thompson
Director Business and Program Management
Capital Facilities and Infrastructure Branch
