

# FirstPriority IP address changes

Published 28<sup>th</sup> August 2024

---

All IP address modifications listed in the table below will take place between **8:00 AM Saturday 28 September to 1:00 AM Sunday 29 September (AEST, UTC+10)**.

If there is any hardcoding or whitelisting of our outbound IP addresses, please add the outbound IP addresses of our Perth (Failover) and Sydney (Primary) data centre hosting to your configuration. There are no changes to our DNS record.

DNS record	IP address	Usage
saasmail.rmtglobal.com	103.143.250.30	Outbound RMT email Server for FirstPriority for Sydney data centre
Mailp2.rmtglobal.com	103.232.248.58	Outbound RMT email server for FirstPriority for Perth data centre
